Dear Chairman Hunter,

I am happy to let you know that the NFIB TX PAC board voted to endorse you for the 2020 general election! As a grassroots, member-driven organization, NFIB's most valuable campaign resource and GOTV tool is sharing our NFIB Voter Guide with our nearly 20,000 Texas small business members. The voter guide is a reliable source for our members, as they understand that the list of NFIB endorsees have been thoroughly vetted or have a proven pro-business voting record in the Texas Legislature. The voter guide will be distributed prior to early voting, but please feel free to add NFIB to your list of endorsements on your campaign material at any point.

As we move into the fall campaign season, NFIB will send a statewide press release announcing our endorsements in Texas. We are happy to also provide a personalized quote should you want to send a press release to media outlets in your district.

In conjunction with our statewide press release, NFIB will provide personalized social media graphics for each 2020 NFIB TX PAC endorsed candidate. We will coordinate with your campaign prior to launch and encourage you to share the graphic on each of your social media platforms.

Should you need anything else, please feel free to email me at john.mccord@nfib.org or call my cell at 512-660-1922. Alternatively, you can reach our State Director, Annie Spilman, at annie.spilman@nfib.org or by phone at 512-476-9847.

Thank you for your commitment to the small business community and good luck in the upcoming campaign.

Sincerely,
