Dear Representative Hunter:

We are pleased to inform you that you have received the endorsement of "TPACE" (Texas Political Action for Candidate Election), the political action committee of the National Association of Social Workers/Texas Chapter (NASW/TX). To assist you in your re-election campaign for State Representative HD 32, please find an endorsement letter enclosed. If you would like us to provide you with a logo or other resources, please reach out to us. We enthusiastically hope that your reelection is successful and are eager to continue working with you to address key issues during the 88th Legislative Session. We sincerely appreciate your advocacy on issues impacting social workers and the diverse communities we serve.

The 5,000 members of NASW/Texas will be notified of the endorsement in our monthly newsletter, and we will encourage them to vote and participate in local campaigns in the lead up to the election. NASW/TX will also hold its statewide conference on October 13-15, 2022. TPACE will provide conference attendees with the full list of candidate endorsements and is pleased to include your name on it.

NASW/TX is ready and able to assist your office and looks forward to working together on policy issues in the future. In addition to our office serving as a resource on social work-related issues, our members across the state have broad interests and are happy to serve as a local resource as you consider legislation impacting them and the clients they serve. Please feel free to call or email Bryan Mares (bmares.naswtx@socialworkers.org), NASW/TX Government Relations Director, at any time if we can be of assistance.

Sincerely,

Angela Martinez, LMSW
