Texas State Representative Todd Hunter Appointed to Jobs, Energy, Technology, and Innovation Act Oversight Committee

(CORPUS CHRISTI) –State Representative Todd Hunter has been appointed to serve on the Jobs, Energy, Technology, and Innovation Act Oversight Committee by Speaker Dade Phelan. This appointment, effective immediately, underscores Representative Hunter's dedication to advancing initiatives crucial to the growth and prosperity of Texas.

The Oversight Committee, as mandated by Section 403.618 of the Government Code, has the critical responsibility of recommending to the legislature projects that should be considered for statutory inclusion or exclusion within the definition of "eligible project" outlined in Section 403.602. Representative Hunter's expertise and leadership will play a vital role in shaping policies that drive economic development, foster technological innovation, and ensure energy security for the state.

Expressing gratitude for the appointment, Representative Hunter stated, "I am honored to be entrusted with this important responsibility. Texas is a beacon of innovation and opportunity, and I am committed to working diligently alongside my colleagues to ensure that our state remains at the forefront of job creation, energy advancement, and technological innovation."

As a longstanding advocate for policies that promote economic growth and prosperity, Representative Hunter brings a wealth of experience and insight to the Oversight Committee. His tenure in the Texas House of Representatives, coupled with his dedication to serving the constituents of his district, uniquely positions him to contribute meaningfully to the committee's objectives.
